

| Japan: Land of the Rising Sun |

Experience a country where tradition meets modernity. Adopt a unique learning perspective as you study Japanese history and tradition by participating in a traditional tea ceremony, calligraphy lessons and visit key historical sites. Learn about business and manufacturing in Japan as you tour the Toyota Motor Corporation. Bright lights, high tech gadgetry, temples, community festivals, and traditional food are among the many sights and sounds that attract over 6 million visitors to Japan per year.

During this five week field school, travel, learn and explore Nagoya, Kyoto and Tokyo as part of your language and cultural studies.
