Job Details:

The **Richmond and Surrey Psychology Labs** are currently hiring.

We are looking for responsible, enthusiastic, and friendly students to work as part-time Student Assistants. The position is an excellent way to build up your academic and work experience.

Job Description:

Principle duties include directing students to instructional lab materials (e.g., computer simulation exercises), distribution of research articles and books, filing resource materials, overseeing student exams, maintaining lab records, and keeping the lab tidy.

Minimum Qualifications:

1. Full-time status as a registered Kwantlen student
2. At least PSYC 1200 with a 'B' grade
3. Good academic standing

Helpful Extra Qualifications:

1. You have good general computer skills and knowledge (e.g., word, excel)
2. You have finished two of the second year psychology courses
3. You have a recommendation from voluntary organizations

* Second year students are preferable.*

If you are interested, please submit your resume and school schedule (Spring 2012), in person, to Lab Instructor or Student Lab Assistant in Room 2400 (Richmond) or Fir 214 (Surrey) by Dec 12, 2011.

If you have any questions, please don't hesitate to call the lab at PH#: 604-599-2161 and leave a message for Ivy Ng, Lab Instructor.
