M. Androsiuk noted that Romy Kozak is to take the place of Andrew Bartlett, and Tally Wade should not have been listed on the proposed membership for the *Senate Standing Committee on the Library*.

**11. Senate Standing Committee on Policy Articulation**

No report.

**12. Senate Standing Committee on Program Review**

Carolyn Robertson explained that the distributed committee report is from the Jan. 21, 2009 meeting rather than from the Feb. 18, 09 meeting, which was too late to allow the report to be included in the Senate agenda package. The committee will attempt to reschedule its meetings to better align with the Senate meeting schedule.

She extended congratulations to the Philosophy department for the completion of its self-study report and its external site visit for the program review process.

C. Robertson noted that the schedule of program reviews approved earlier needs to be revised because of the continually changing scenarios.

**13. Senate Standing Committee on Tributes**

Joel Murray presented the *Award for Distinguished Teaching* for approval. A number of areas of concern were identified.

The committee will elect a chair at its next meeting.

**15. Approval of Graduates**

**Moved by Derek Robertson, seconded by Cathy MacDonald, that Senate approve the graduates as listed for Feb. 23, 2009.**

**MOTION CARRIED.**

**16. Items for Discussion**

16.1. Farhad Dastur asked for direction from Senate to require that all new hires for the Sociology department have PhDs. A Senate ad hoc committee is continuing work on a draft faculty qualifications policy.

16.2. Arthur Coren asked that Senate provide a centralized visual showing all Senate committee meeting dates on the Senate Website.

ACTION: The University Secretariat will act on that request.

16.3. Wade Deisman proposed that a blog site be set up for discussions about establishing Faculty Councils, accessible to all faculty members.

16.4. Dana Goedbloed asked Senate to reconsider the meeting start time in light of the difficulty with finding parking at the time when students are either arriving for or leaving classes. She recommends reverting to 4:15 pm. Senate will take it under advisement.

16.5. There was general discussion about the tight timelines for the budget review process. It was noted that nothing in the budget was not in the established priorities for the institution. Plans for future budgets will include a more extensive timeline.

All Senators are welcome to attend the Senate Standing Committee on the University Budget meeting on Wed., Feb. 25, 2009.
