

# Placing Materials on E-Reserve:

## *Information for Instructors at Kwantlen University College*

### To place scanned material on E-Reserve:

- 1. Scanned material must be either copyright free or copyright cleared. These types of materials include:**
  - Material for which you are the author/creator, including class and lecture notes, sample tests, etc.
  - Material for which written copyright permission has been obtained from the author/creator.
- 2. Using the Reserve List form available from the Library, enter the information on the material you want placed on E-Reserve.**
  - We accept material in electronic format (disk or CD-ROM) and paper format.
  - We accept scanned materials or will do the scanning for you.
  - If you are submitting the file in electronic format (disk or CD-ROM), specify whether you would also like a paper copy placed on Reserve and at which campus(es) you would like the paper copy.
- 3. If you have a course Web site, once the E-Reserves have been placed, we will send you a URL to paste into your course Web site to establish a direct link to your material.**
